Ravindra Public School, New Delhi	Aggregate: *74.4%*
10th CBSE	**2014**
Ravindra Public School, New Delhi	Aggregate: *76%*

PROFESSIONAL EXPERIENCE

- **WIPRO**   **15/07/2019 - Till date**
  - ➜ **Anaplan Integration Developer**   **12/09/2021 - Present**
    - ◆ Performing inbound and outbound integration on Anaplan
    - ◆ Developing UX pages for end users
    - ◆ Integrating work flow within Anaplan
    - ◆ Calculating performance time for each transaction using Java code
    - ◆ Working on Swagger Open Spec APIs and Restful APIs
    - ◆ Creating postman Collections of the functions performed

  - ➜ **Flowers Online Web Application**
    - ◆ *Front End* **:** Angular, Bootstrap
    - ◆ *Back End* **:** Spring Boot with spring data and spring security
    - ◆ *Databases* : H2-in memory database
    - ◆ *Email Triggers* : Java Mail with SMTP
    - ◆ *Project Objective* :
      - An online shopping store web application that has 2 modules: Admin and Customer.
      - Admin can add products along with their pictures, description, price & modify/delete the existing ones
      - Customer can sign up or sign in and buy the products
      - Products are categorized according to the occasions and can be sorted by price.
      - Implemented the cart functionality, providing a detailed invoice at last.

→ **Airline Management System**
- *Languages and Frameworks* : HTML5, CSS3, Angular, Spring
- *Databases* : H2 in-memory database
- *Project Objective* :
  - A web application that is used to manage information related to various Airline Providers across GEO's.
  - This project was mainly for understanding CRUD functionality
  - Option given to the super user were : create flight, delet flight, modify flight and view flight.

→ **Best Choice Cars**
- *Languages and Frameworks* : Spring Boot, Jax-RS & Spring Data
- *Databases* : H2 in-memory database
- *Build Tool* : Maven based project
- *Project Objective* :
  - To create a web application for selling cars via price as well as brands

→ **Hotel Reservation System**
- *Languages and Frameworks* : Spring
- *Databases* : SQL
- *Build Tool* : Maven
- *Project Objective* :
  - A web application that enables users to do online hotel reservation
  - Enabling users to check the availability of the hotel by choosing a city that populates the hotel names available.
  - On Hotel selection, users can select a date and check if the hotel is available for that date or not. If yes, a hotel can be booked, else the date can be changed or another hotel can be chosen.

→ **CAS L2 Project Engineer (Centera)**
- Hardware and software understanding of centera
- Troubleshooting Dial Home (Server triggered issue/Hardware issues)
- Helping my peers for better understanding of the known issue(s)
- Resolving errors related to the product (hardware/software)
- Interacting with the customer for better understanding of the issues
- Worked on Unix/Linux
- Trained new hires on the same technology

→ **CTA L1 Project Engineer (Cloud Tiering Application)**
- Attended training for 3 days for this application product of Dell EMC
- Troubleshooting the basic issue of CTA (Data migration related issues)
- Interacting with customer and engineering team over zoom meetings for resolution

- **Ministry of Statistics and Programme Implementation**   18/06/2018 to 17/08/2018
  → **2 months summer internship at Ministry of Statistics and Programme Implementation (MoSPI)**
  - Learnt PHP and created dynamic website with a little use of AJAX, Javascript and JQuery
  - Redesigning of websites under the official website of ministry
  - Development of websites database
  - Making them user interactive

UX Design Projects

- **Mobile Application for Restaurant**   01/02/2022 to 09/02/2022
  → **created mobile application for restaurant where people can order food**
    - ◆ Created personas, user stories, problem statements
    - ◆ Created Low fidelity wireframes and prototypes using Figma
    - ◆ Created High Fidelity wireframes and prototypes using Figma

- **Responsive Webapp for food ordering**   10/02/2022 to 17/02/2022
  → **created responsive (for desktop as well as mobiles) webapp where people can order food online**
    - ◆ Created personas, user stories, problem statements
    - ◆ Created Low fidelity wireframes and prototypes using Adobe XD
    - ◆ Created High Fidelity wireframes and prototypes using Adobe XD

- **Recipe Guide Desktop Website**   18/02/2022 to 22/02/2022
  → **created desktop web application for restaurant where people can order food**
    - ◆ Created for social good
    - ◆ No sign in required, users can directly view and follow along with the recipes in real time
    - ◆ Created Low fidelity wireframes and prototypes using Adobe XD
    - ◆ Created High Fidelity wireframes and prototypes using Adobe XD

SKILLS

TECHNICAL SKILLS

- ♦ Spring Boot and Web MVC
- ♦ Angular
- ♦ SQL & H2 DB
- ♦ Linux/Unix

- ♦ HTML5, CSS3, Bootstrap
- ♦ Core Java
- ♦ XAMPP Server
- ♦ PHP

SOFT SKILLS

- ♦ Empathetic and patient.   .
- ♦ Positive personality
- ♦ Highly motivated and eager to learn new things.

CERTIFICATIONS

- ❖ Completed **Google UX designing** course via Coursera
- ❖ Completed **Java Full Stack** certification course from WIPRO
- ❖ Online certification course of ***HTML5 and CSS3*** from UDEMY (www.udemy.com)
- ❖ Attended 3 days workshop on **Ethical Hacking** organised by ***Computer Society of India*** and ***Vivekananda Institute of Professional Studies***

EXTRA CURRICULAR ACTIVITES

- ❖ Blogger on Blogspot. Link to the blog: **Sober.. but Alive!**
- ❖ *Discipline Coordinator* in CSI-National Student's Convention 2018 organised by Vivekanada Institute of Professional Studies in January 2018
- ❖ Participated in *'Best Out Of Waste'* in CSI-State Student's Convention organised by Vivekanada Institute of Professional Studies in January 2017
- ❖ Represented my school in the *zonal level girls swimming competition*

PERSONAL INFO

- ❖ DOB : 19th JANUARY 1999
- ❖ Gender : Female
- ❖ Languages Known : Hindi, English
- ❖ Nationality : Indian
- ❖ Hobbies : Swimming, Gaming

DECLARATION

I hereby declare that the information furnished above is true and to the best of my knowledge.
